RKM EYE CARE

Better Vision Brighter Life

Radhakrishnan Memorial Eye Care

OUR VISION

To build a trusted network of eye hospitals where clinical excellence and affordable care bring better vision within everyone’s reach.

OUR MISSION

To deliver ethical, compassionate, high-quality eye care - always putting patients first.

OUR FOUNDATION

Founded in loving memory of Radhakrishnan, RKM carries a family’s shared commitment to protecting sight and serving people with integrity.

OUR CORE VALUES

- **Patients first:** Let patient safety, needs and well-being guide every decision.
- **Honesty and ethics:** Recommend care based on clinical need and explain options and costs clearly.
- **Compassion and respect:** Listen patiently and treat every person with dignity.
- **Quality and accountability:** Maintain high standards, take responsibility and continually improve.
- **Community service:** Build awareness and help people overcome barriers to eye care.
- **A legacy of care:** Honour Radhakrishnan’s memory through the care we provide every day.

OUR PROMISE

We will listen with patience, explain with clarity and guide every patient towards the care they need.
